9/20/2020

I am relocating to Fort Myers and am interested in a full-time or part-time job.

Work experience (30 years with IBM - college graduation to retirement)

2002-2007 Marketing support and standards representative in IBM Healthcare/Life Sciences, Boca Raton, FL
2001-2002 Developer for IBM Voice Server, Boca Raton, FL
1996-2001 Developer for IBM WebSphere Application Server, RTP, NC
1989-1994 TCP/IP developer in the IBM Research Division, Yorktown Heights, NY
1985-1988 Performance analyst for IBM mainframes, Poughkeepsie, NY
1979-1981 Adjunct Instructor at Marist College, Poughkeepsie, NY
1977-1984 Hardware and microcode developer on IBM mainframes, Poughkeepsie, NY

Interests (mostly since retiring in 2007)

Sailing 8,000 miles logged on my sailboat plus a fair amount crewing on friends' boats. ICW, Gulf Stream, Gulf of Mexico, Bahamas, Caribbean, Mediterranean. E.g. Sicily to Crete [1] and Puerto Rico to St Petersburg via Cuba [2].
Dinghy builds I built three 10'-11' dinghies (one was strip-planked, two were nesting stitch&glue) on Man-O-War Cay, Bahamas where I kept my sailboat. [3]
Travel I have visited almost every country in Latin America. [4]
Civics I designed and led the construction of a Man-O-War Boat Builders' Memorial. [5] I created websites for local government [6], Man-O-War Cay [7,8,9] and Edwin's Boat Yard [10] where I kept my boat. Admin for WHA Facebook page [11].
Photography My micro-photography gallery. [12]
Tech My micro-photography rig – a DIY microscope. [13]

Education

1977 BA in Computer Science/Computer Engineering from Rutgers University. Received award given to the top 5% of Comp Sci majors - 3 of approx. 60 that year.
1970 Hackettstown High School. 1970 Rensselaer Award, 1969 Bausch & Lomb Award.
